New Medium-Term Management Plan "MCP 2/3"

The Musashino Bank, Ltd. (President: Kazumasa Nagahori) (hereinafter referred to as the "Bank") hereby announces that it formulated a new medium-term management plan, MCP 2/3 that will start in April 2026.

1. Name of the Plan

Medium-Term Management Plan "MCP 2/3 (two-thirds)"

2. Period of the Plan

From April 1, 2026 to March 31, 2030 (4 years)

3. Overview of the Plan

This plan is positioned as the second phase toward the realization of our long-term vision, "MCP (Musashino mirai-Creation Plan): Bringing together diverse values to open up the future of Saitama Prefecture with the region's No. 1 solution," during which we will establish a solid presence as the best partner to solve issues of the region and our customers.

In the regional economy, in addition to declining and aging population, rapid evolution of digital technologies, growing social demand for decarbonization, etc. are accelerating the trend of drastically changing the existing social and industrial structure.

In light of this trend of change, the Plan was formulated as an initiative to define social issues (materiality) of high importance for the Bank and its stakeholders, and to strengthen and utilize financial and non-financial capital to solve them.

Under this plan, we aim to realize the growth and well-being of our customers toward a sustainable future in our mother market, Saitama Prefecture, and further enhance our corporate values.

4. Basic Strategy

< Basic Strategy I> Deepening to Value Co-creation Consulting As a partner in creating values for the future, we will provide optimal, advanced, and highly satisfying solutions from a long-term perspective.
< Basic Strategy II> Contributing to the Creation of New Values of Saitama Prefecture As a central player in improving Saitama's diverse attractions, including lifestyle, culture, and nature, we will provide effective support that meets the actual conditions of the region.
< Basic Strategy III> Strengthening the Management Foundation that Supports the Future We will further strengthen the management foundation that we have built to date as a source of value creation and establish it as a resilient management foundation to support the future.

5. Target levels (FY 2029)

Consolidated ROE of 10% or more

Profit attributable to owners of parent of 30 billion yen or more

Core business profit of 40 billion yen or more

Core OHR (non-consolidated) of 55% or less

Identify and invest in growth opportunities

Strengthen shareholder returns

Enhancing Earning Power of Business Portfolio

- With the advent of a world with positive interest rates, we will remain committed to securing appropriate spreads commensurate with credit risks.
- We will instill a RORA-focused mindset to accumulate high-RORA assets and implement sound profitability management.

ROA/RORA by borrower segment

Risk-taking approach

Primary segment	Policy
[A] Large enterprises	✓ Tokyo-based sales leveraging alliances
[B] Mid-tier companies and SMEs	✓ Face-to-face consulting sales
[C] Apartment and condominium	✓ Strengthen sales to high-net-worth individuals
[D] Housing loans	✓ Enhance relationships with real estate agents

Capital Policy

- We will appropriately manage our capital adequacy ratio, targeting approximately 10.5%, including preparations for risk events on the scale of the 2008 global financial crisis.

Basic approach

- Leverage our robust capital base to execute balanced capital management, focusing on: growth investment to increase corporate value, maintaining soundness, and enhancing shareholder returns.

Capital allocation

Shareholder Return Policy

- We adopt a progressive dividend policy as our basic approach, targeting a payout ratio of approximately 40%.
- We will implement share buybacks flexibly, balancing profit growth with necessary capital levels.

Trends in dividends and payout ratio (consolidated)

Plan for Reducing Strategic Shareholdings

- We will accelerate the reduction of strategic shareholdings through sufficient dialogue, except for those expected to enhance our corporate value or contribute to regional economic development by maintaining or advancing relationships with investees.
